Dear Parents, Caregivers and Friends of the School

It is not easy to be a follower of Jesus and take our place in society as a Christian. Jesus warned anyone who wanted to follow him that they would need to be brave and strong. The Holy Spirit will empower us to share our faith with the world and to stand up for our Christian values of love and justice. **How do you follow Jesus in your daily life?**

A big thank you from the Board, The Staff and The Children to everyone who came to school on Sunday to work at the working bee.
